

Let a serial entrepreneur who has grown several companies to as large as \$100 million in revenues share SUCCESS formulas with your audience!

# MAY L. MCCARTHY

## Best Selling Author & Speaker

Like Gates, Jobs, Oprah and Einstein, your audience can learn how to use intuition and goal attainment systems as tools for success! Successful entrepreneur, speaker, angel investor, and best-selling author, May McCarthy will show your audience how! Since 1982, May has founded and grown seven successful companies in a variety of industries to as large as \$100 million in annual revenues, and she has worked for several Fortune 500 companies. Her success formulas have been shared worldwide at dozens of events, on TV, in print, and on the radio.

As seen on      and more!

#### THE PATH TO WEALTH

In today's economy, it's more important than ever for your audience to get clear about their personal and professional goals—and to commit to a plan that will get them there. May McCarthy will show your audience how to develop their own success plan and utilize financial intuition, which is key to noticing and pursuing opportunities that will present themselves along a path to success!

#### THE GRATITUDE FORMULA

May McCarthy offers a definable, practical system that your audience can put to use every day to achieve success in relationships, career, finances, health, personal pursuits, and virtually any other aspect of life. Your audience will learn how to utilize the power of gratitude to create and achieve goals, enable intuition to help them, and untangle from fears, doubts and behaviors that are keeping them from success.

#### PURPOSE TO PROFITS

Many successful Fortune 500 CEOs have reported greater profits as a result of having a clearly defined purpose for their business. May McCarthy will show your audience how to create both a personal and professional purpose which is the “why” or reason that a company exists. A clearly defined purpose statement will result in greater motivation for all stakeholders, fully engage employees in their work, and increase profits for your company.

**Other popular topics include:** Conscious Entrepreneurship, Attracting Angel Investors, Win-Win Selling, Developing the Cheerful Giver, and more!
